

# ROLL THE DICE

A multi player dice roll game in tezos.

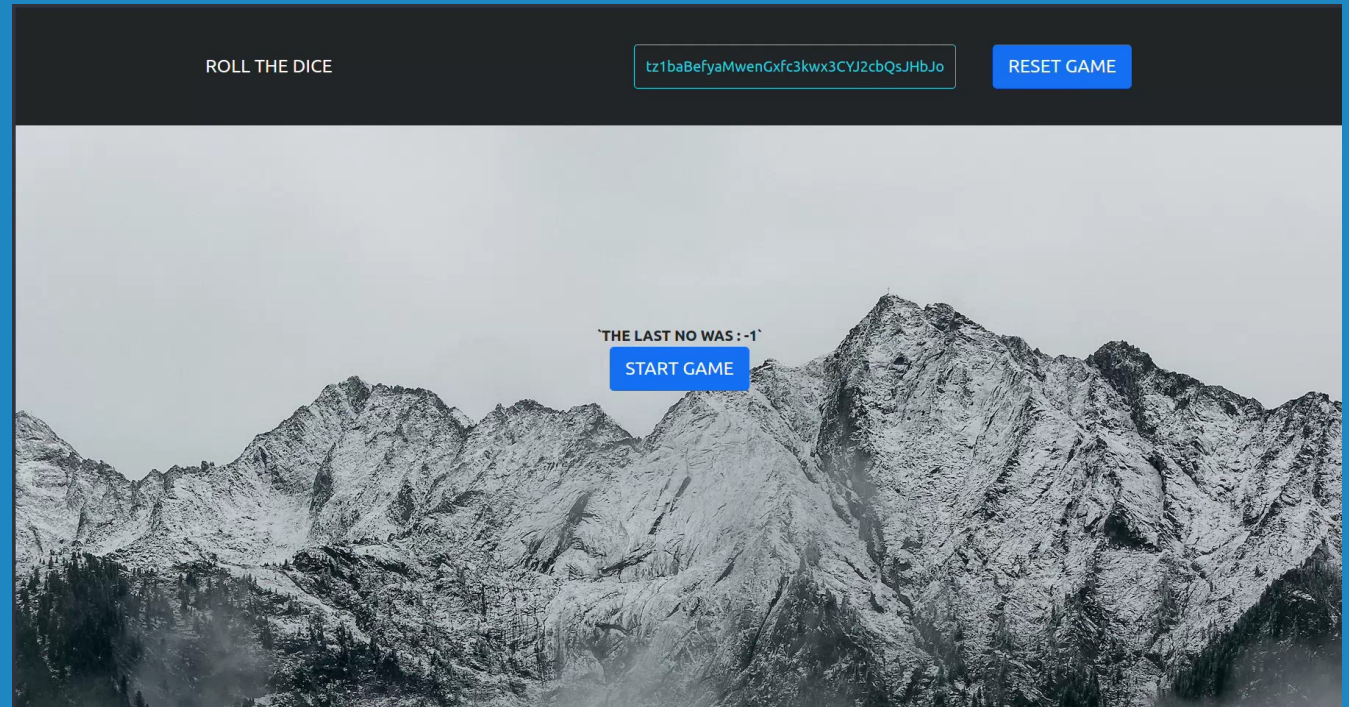

Made by Ishant S. Dahiwale

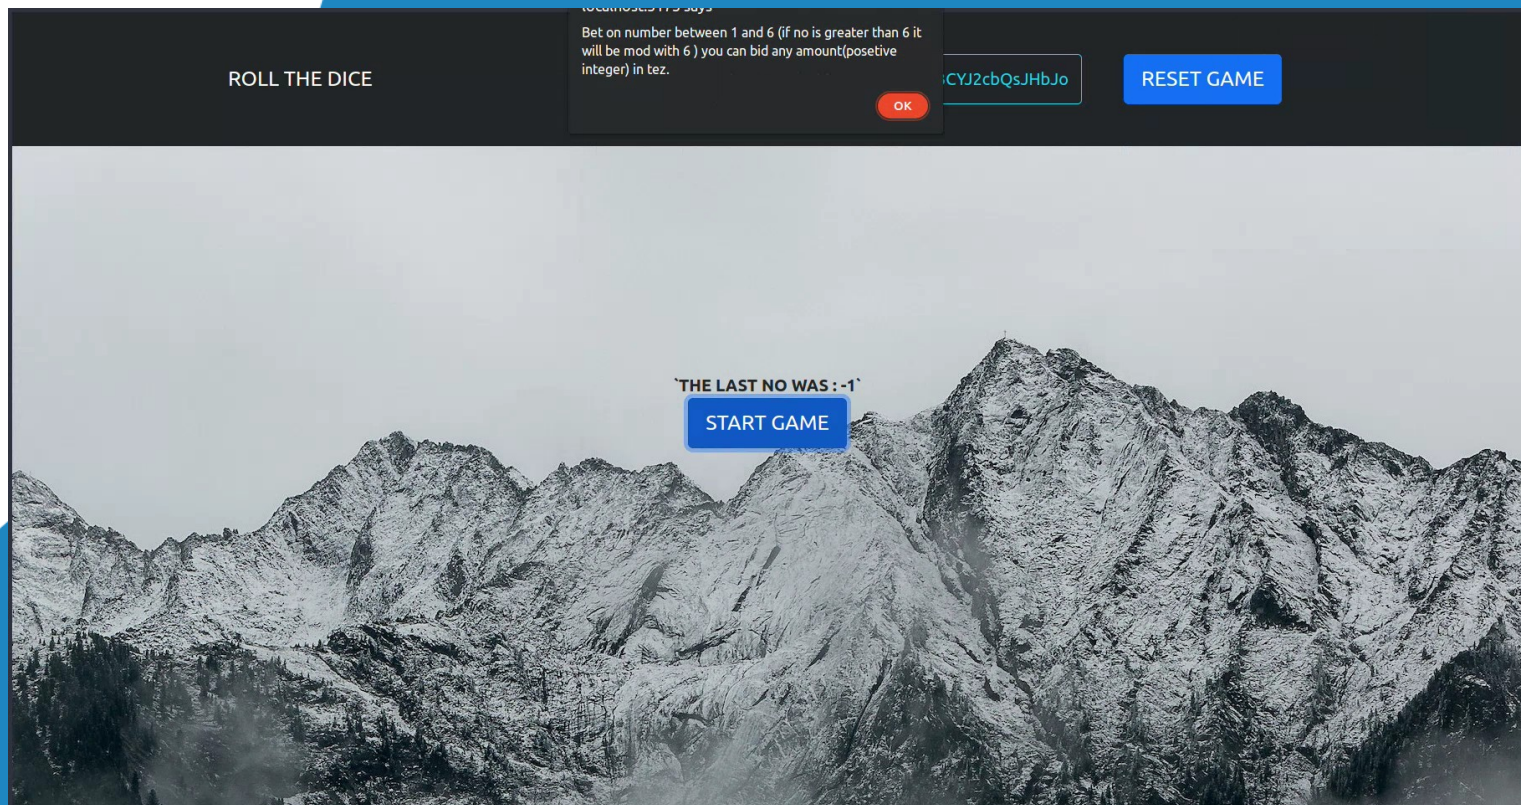

Dont scroll through the segments of web page .

You would be auto-scrolled to the right segment.

Click on the button beside the “RESET GAME” Button .

It would ask you to connect your temple wallet.  
Connet the wallet.

Have some patience, as it takes time to connect to the wallet.  
Click on the start game option.  
It would show prompt of rules.  
Click on ok and on the wallet interface click confirm.  
Wait till it shows done prompt.

ROLL THE DICE

RESET GAME

THE LAST NO WAS : 4

START GAME

The “THE LAST NO WAS :: ” will show the random number  
The was generated on the chain.

The game is over.

It is a good practise to reset the game by clicking on the “reset game” button on the navbar.

All transactions have taken place .

You can check in your temple wallet.

If you won then the tez will be deposited if not then  
It was your bad luck.

Thank you!
